

2006 AMENDMENT TO THE ACT OF RESTRICTIONS
For
BROADMOOR PLACE, FIRST FILING

BEFORE ME, the undersigned Notary Public, duly commissioned and qualified in and for the Parish of East Baton Rouge, State of Louisiana, personally came and appeared the undersigned witnesses to the signatures of the required number of current property owners of BROADMOOR PLACE, FIRST FILING, consisting of residential lots One (1) to Fifty-one (51), who hereby amend and supplement the Act of Restrictions for Broadmoor Place, First Filing, by re-stating those original restrictions as recorded at Original 92, Bundle 4966 of the official records of East Baton Rouge Parish, Louisiana, to remain in place and by amending and supplementing same. In case of any conflict or ambiguity on record, these amendments shall control.

These amendments are being amended in accordance with paragraph 14 of said original restrictions recorded on September 11, 1961, allowing for amendment by a majority of the property owners after the initial term of thirty-five years, and prior to the automatic renewal of each 10-year successive period.

The lots affected by this amendment are all lots in Broadmoor Place, First Filing, specifically residential lots 1 through 51, inclusive, situated in East Baton Rouge Parish, Louisiana, all according to that certain tract or subdivision which is set out in a map entitled "Final Plat of Broadmoor Place Subdivision, First Filing, Being a Portion of the Edward R. Sharp Tract, Located in Section 85, T-7-S, R-1-E, Greensburg Land District of Louisiana, East Baton Rouge Parish, Louisiana, for Rue Lafayette Mortgage Corporation" dated August 17, 1961, a blueprint of which map is attached to the Act of Restrictions of Broadmoor Place Subdivision, First Filing at Orig. 92, Bundle 4996, recorded on September 11, 1961.

The Broadmoor Residents Association, Inc. was incorporated on October 9, 1952, and formerly named Broadmoor Citizens Association, Inc. until January 12, 1965, when it registered its present corporate name change. The corporation's charter is recorded in the records of the Louisiana Secretary of State's office as number 02203270N, Broadmoor Residents Association, Inc., and is the only homeowners or civic association or its successors referred to herein with the authority to enforce these restrictions, in addition to the property owners.

The required percentage of the current property owners hereby adopt the following amendments and carry forward existing restrictions that are renumbered or restated to read as follows in their entirety:

1. All of the lots contained in this subdivision are hereby designated as single-family residential lots for single-family residential use only and no building shall be erected, altered, placed or permitted to remain on any lots other than one (1) detached single family dwelling not to exceed two and one-half stories in height and a private garage for not more than three (3) cars.
2. No lot or lots shall be sold except with the description shown on the official plat of the said subdivision except as outlined hereinabove. No school, church, assembly hall, group home, halfway house or senior citizens' home shall be built or permitted on any lots of said subdivision.
3. No building, structure, fence, or improvements of any kind shall be erected, placed, or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the board of directors as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. Accessory buildings are allowed in a rear yard but may not occupy more than 30 percent of that area. No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line unless similarly approved. Any building so erected, placed or altered shall be constructed exteriorly of brick veneer, brick or stone, and stucco is also acceptable on the exterior. 25. Any undeveloped lot shall be mowed and kept free of noxious weeds to the same extent and as frequently as adjacent lots and shall be compatible with the appearance of the lots in the subdivision.
26. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot; provided, however, that dogs, cats or other customary household domestic pets are permitted; provided further, that such permissible pets are not kept, bred or maintained for any commercial purposes, or in such numbers or conditions as may be noxious or offensive or create a nuisance to other property owners in the subdivision or fail to comply with local ordinances to the extent they become a nuisance or annoyance to the neighbors.
27. All exterior construction, additions and improvements to property must be completed within 18 months of the granting of any required permit or approval of the Broadmoor Residents Association, Inc. Board of Directors. Failure to commence any plans so submitted within the allowed time shall require resubmission of plans to the Board of Directors.
28. Property owners shall maintain property and all improvements on any lot in good repair and in a neat and orderly manner, including but not limited to exterior painting, mildew removal, siding, trim, and roofing, as well as appropriately maintained and trimmed landscaping and mowed lawns commensurate with other well-maintained property in the subdivision, for the purpose of exhibiting harmony throughout the subdivision and enhancing the general appearance of the general plan of development to maintain the property values therein.
29. An un-maintained lawn or lot is defined herein as being a lawn with weeds or grass which has reached a height of nine (9) inches above grade, or excessive objects on the lawn that create an unsightly appearance, including but not limited to trash cans, trash, junk, and debris in the yard. In the event that any property owner fails to correct the situation within 30 days of receipt of notice by certified mail from the Broadmoor Residents Association, Inc. to the address of the property owner living on the property or, if an absentee owner, to the address of the owner as listed by the tax assessor of East Baton Rouge Parish, then the Broadmoor Residents Association shall have the right to enter upon said lot or property and cause the lot to be mowed and/or cleaned up. Broadmoor Residents Association, Inc. shall be entitled to file a lien against the property for the actual cost incurred, and take further legal action to collect all costs incurred, which shall include the cost of appropriate attorney fees and court costs to record said lien and to collect said costs.
30. Unenclosed garages, carports, and driveways visible from the street shall be maintained free of clutter, including trash, furniture, tools and other items to the extent that such causes an unsightly appearance or to the extent it creates a potential hazard or enticement for third parties, such as children, to trespass on the property at their peril.
31. Residents and/or tenants of property owners must consult with adjacent neighbors and Baton Rouge City-Parish drainage engineers before attempting to change the elevation of their property through methods that include, but are not limited to, placing fill material on the property, such as dirt or sand. The proposed fill material must not adversely impact the surrounding neighbors in any manner and it must not create drainage and flooding issues for any portion of the subdivision.
32. Residents may not have garage sales in excess of three per year, as consistent with Baton Rouge City-Parish ordinances.
33. It is the intent of the property owners that the board members of the Broadmoor Residents Association, Inc. shall be protected from liability to the fullest extent of Louisiana law of non-profit homeowner's associations for their lawful, good faith actions in fulfilling their duties to act in the best interests of the

corporation and its members as a whole, and said members shall be entitled to the full limitations of liability afforded non-paid board members of non-profit homeowner's associations.

34. The authority of the Architectural Control Committee granted in paragraph 13 of the original restrictions to certain named individuals, now deceased, is hereby re-established without limitation as to its existence and granted to the Board of Directors for the purpose of preserving the appearance and property values of Broadmoor Place, First Filing. The Board of Directors of the Broadmoor Residents Association, Inc., may delegate such duties to a committee to serve for such terms and on such conditions as the Board may designate. The approval or disapproval of the Board of Directors of construction or improvements shall be based on the requirements in these covenants, including but not limited to the harmony in material and general appearance of the construction or improvements with existing structures in this filing. The approval or disapproval of the Board of Directors as required in these covenants shall be in writing. In the event the Board, or its designated representative(s), fails to approve or disapprove in writing within 30 days after plans and specifications have been submitted to it, approval will not be required. However, such approval by default shall not authorize the violation of any specific restriction set forth herein, including but not limited to building and fencing setback lines or harmony in material and general appearance.
35. No building, modification, or addition to any lot shall be erected, placed, or altered on any lot until the construction plans, specifications and plan showing the location of the structure, including fence lines, have been submitted to and approved by the Board of Directors, as to location with respect to topography, finished grade elevation, material, and harmony of appearance with other structures in the filing. Notwithstanding the foregoing, no fence or wall that restricts entry to property shall be erected, placed or altered on any lot closer to any street than the location of the front of the house.
36. These covenants, building restrictions, and amendments are to run with the land, and shall be binding on all property owners and lots in Broadmoor Place, First Filing, for a period of 10 years from the recordation date of these amendments, after which time said covenants shall be automatically extended for successive periods of 10 years, unless the majority of the lot owners have signified their approval in writing to the Broadmoor Residents Association to amend, terminate, modify or change said covenants in whole or in part, whether to make the same, more onerous or less onerous, and, in response thereto, the Broadmoor Residents Association, Inc. has caused said amendments to be recorded timely in accordance with the requirements stated herein. Notwithstanding the above time restraints on amendments, seventy-five percent (75%) of the residents can amend these restrictions following ninety (90) days written notice to the Broadmoor Residents' Association who shall prepare such amendments and record the same as directed.
37. Enforcement of these restrictions shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages. Broadmoor Residents Association, Inc., or any property owner subject to these restrictions shall be entitled to enforce these restrictions and covenants and recover the actual attorney fees, expert witness fees, and cost of any litigation incurred, which shall be assessed against any property owner(s) adjudged in violation of any restrictions set forth herein.
38. The original restrictions and these amendments are predial servitudes, and as protective covenants and building restrictions affect all of the above designated lots in favor of each lot and the Broadmoor Residents Association, Inc. which is hereby and herein granted rights of enforcement in addition to each lot owner affected thereby, and are binding on the owner, purchaser, heirs, legatees, and assigns as well as any occupant or tenant of the property or lots designated.
39. Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

THUS DONE AND SIGNED in Baton Rouge, Louisiana on the dates set forth in the presence of the witnesses subscribed thereto by the owners of the lots designated.
