The appearers further declare that said corporation has been established and does hereby establish certain building restrictions and conditions for the benefit of said property to be binding upon and enforceable by the present or future owners of said property or any part thereof. It being the intention to establish these restrictions as servitudes and covenants running with the land, said restrictions being set as follows, to-wit:-

8. No garage apartments are to be erected or to be used as residence, except as a residence for domestic servants to the occupants of the main residential premises.
9. No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other outbuilding shall be used on any lot at any time as a residence either temporarily or permanently.

Neither the members of the committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. At any time, the then record owners of a majority of the lots shall have the power through a duly recorded written instrument to change the membership of the committee or to withdraw from the committee or restore to it any of its powers and duties.

15. The committee's approval or disapproval as required in these covenants shall be in writing. In the event the committee, or its designated representative, fails to approve or disapprove within thirty (30) days after the plans and specifications have been submitted to it, in writing, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.
16. No person shall provide or install a method of sewerage treatment other than connection to a sanitary sewer system until the design for that method of treatment and disposal has been approved by the East Baton Rouge Health Unit. Plans for such system may be obtained from said Health Unit.
17. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five years from the date these covenants shall be automatically extended for successive periods of 10 years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.
18. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenants either to restrain violation or to recover damage.
19. Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

THUS DONE AND SIGNED in my office in Baton Rouge, Louisiana, in the presence of the undersigned competent witnesses, this 1st day of December, 1953.
