A Message from the President

Fall is right around the corner, and it cannot come quick enough! The temperature dropping, the decorations going up and being able to enjoy time in the yard again makes fall a special time. I am looking forward to walking the neighborhood and seeing how everything looks!

Hurricane Ida came through our area and left a real mess for many residents. As we emerged to assess the damages, we were comforted by the kindness of neighbors. Neighbors helped each other with gas, food, and physical help to damaged homes. Do you have a story to share? BRA would love to hear you brag on your neighbor!

Two weeks after we moved to Broadmoor, we attended our first neighborhood meeting. We quickly learned how hard one group of people were working to make the neighborhood everything that it was and why we bought here. We began volunteering and were elected to the board. In 2020, I was elected President. It has truly been a pleasure helping and learning from neighbors that have worked tirelessly to address situations that other neighbors had. This group of board members represents a small portion when you see how many residents we have. Membership to BRA is up, and we see new faces at each meeting. We would like to see yours also.

It is election time for the Broadmoor Residents' Association Board Members and Officers. Are you interested in helping us? If you are a member of the BRA, please consider offering your new ideas by joining a committee or coming onto the Board.

Thank you to everyone that helped me for the last two years as I was president. I could not have done it without you.

Help Us Celebrate Broadmoor Leaders

Help us recognize our Broadmoor leaders for their dedication to our great neighborhood. We want to honor past board members who are deceased with a special section in the Broadmoor newsletter and on the Broadmoor website. In addition, we want to recognize previous board members and those who have never been paid by the association. We'd also like to celebrate those who have volunteered hundreds or thousands of hours of their personal time to work for the betterment of Broadmoor. This recognition may include a brief description of these special individuals as well as highlights of significant Broadmoor milestones. Please help us celebrate Broadmoor volunteers by sending your recommendations to Broadmoor@broadmoor-br.org or leaving a message on the Helpline at 225.926.9829.

Random Acts of Kindness

We are Stronger Together!

A “neighborhood” is defined as a group of houses in one area, but it is the people in those houses that make up the heart of the neighborhood. Broadmoor neighborhood was truly tested in the aftermath of Hurricane Ida, and its residents remained strong and resilient through it all. Most residents were without power, and many experienced structural damage from high winds defeating our mighty and beautiful trees. On the morning of August 30th, many neighbors were walking the streets checking on one another, assessing damage, chatting with neighbors they had not yet met, but most importantly offering help where it was needed.

These random acts of kindness are just one of the many wonderful characteristics that make Broadmoor a truly wonderful place to call home. If you experienced an act of kindness, storm related or otherwise, we would like to hear your story and offer a public “thank you.”

Please submit your story and any pictures by November 15 to leggio@lela.org to be included in our next newsletter. These neighbors are appreciated and need to be recognized. *We are stronger together!*

Pictured on page five, you will see Mr. Peter Ordoyne assisting Mr. Terry Lawrence with his roof after a tree branch came tumbling down. Read more about what this meant to Mr. Lawrence below.

The Broadmoor neighborhood thanks you, Mr. Ordoyne!

Thanks for Great Broadmoor Neighbors

By: Terry Lawrence

Hurricane Ida rolled across Broadmoor and left damage behind for us to remember her. Fortunately, the total amount of damage was light when compared to many of those living south of Baton Rouge.

Unfortunately, there are some houses in Broadmoor that sustained significant damage as well.

While my damage was light, I did need help. Age tells me to not go up on our roof under any circumstances and my wife concurs. Just two days after the hurricane, a good neighbor from Broadmoor, Peter Ordoyne, was kind enough to put a tarp on my roof where a Hurricane Ida tree branch decided to poke a hole through our roof. Thankfully, the tarp stopped the leak into our bedroom.

Peter, thank you and thanks to everyone in Broadmoor who gave their time and skills.
